Rolls-Royce anniversary

Manchester: The Golden Jubilee of the Rolls-Royce is celebrated by a Ceremonial Parade of four early models - from the home in Knutsford of the late Sir Henry Royce - to the tiny workshop in the city where the partnership first began.

Since those early days, the hallmark of the car has been the distinctive radiator, which ~~through~~ has remained, through fifty changing years, the classical symbol of motoring perfection.

Few of us are ever fortunate enough to ride in a Rolls - though every dog has its day... ~~Mind the 2 grubby paws~~ Ah Ah! Mind those grubby paws!!

The Bride wore a gown of white lace and tulle - and with her groom, received the congratulations of well-wishers at the reception.
