Semiview girl talks. To me it's like the opening of a new world.
well as

I cant see yet as/I hope to do some day. I can get about well
enough.

Semicleseup. Everything is so different from what I imagined
it would be.

Semiview. I always knew that flowers were very beautiful
by their scent. But now that I can see them I think that colour
doubles their beauty.

Closeup. I went thru ten operations, hoping eventually to gain
my sight. A thing I could not understand while I was blind. Now
I have got my sight I realise it is the most wonderful gift we have.
