THOMAS INSKIP INTERVIEW.

1. CU.....TALKS...It is my earnest hope, with all others, that this world will never be plunged into another war. But should this disaster overtake us our defence forces must be prepared and fitted for them.

30.

*with all that science + perfection*

*invention*

*Can provide for*

2. SEMI VIEW...TALKS..With this object I have been appointed to co-ordinate, to put in order, the duties and activities of the three defence services.

14.

*them*

3. SEMI CU...TALKS..On the industrial side it is my duty to see that the plans for new ships additional airplanes, and up-to-date equipment are carried through with no waste of time or money. With no profiteering, and with no interference with existing standards of employment.

32.

4. CU...TALKS. That is our purpose, and as a nation we shall achieve it.
