Well, was everything alright Max, when you left New York?

Bear - Well, we haven't violated anything, have we?

Buddy - Sure not!

Bear. - Well I do not see why we should be dodging anyone. Had a marvellous trip coming over, but I can say one thing, I have had a grander reception, the greatest I ever got, and I am certainly happy to be here in England. I know I am going to enjoy myself, & I hope that I don't dissappoint the fans, the fight fans I mean.

Semi view. We had a grand trip coming over on the Berengaria. We had a smooth sailing, everyone was great to me, - oh, by the way, I would like to introduce my little baby brother, Buddy. Say a few words Buddy.
Buddy - Hallo folks, I have had (Baer pushes Buddy away & talks) That's right he's a marvellous boy, grand chap, I love him. As I was saying, I am sure he is not going to dissappoint you because I think he is going to become a grand fighter, and I hope in the future he has the World's Championship.

CU. Baer talks. I am going to meet the winner of the Foord-Farr fight at Harringay Stadium, I believe it's next week some time, and I am sure the night that I fight who ever wins, It's going to be some scrap because this big bad Baer is going to be serious for a change and something's going to hit the floor. I am quite sure it's not going to be Max Bear, at least I hope not.
