S/V MAYOR TALKING.

During my year of office I have had many interesting duties to perform, but this is the happiest duty of all, when I present to you this casket containing as it does the scroll on which it inscribes the resolution according you to be recorded as a member - as an Honorary Member ~~of the~~ Freedom of the Borough I do in the name of Rochdale and I trust it will always be a happy reminder to you of the bond of sympathy that exists between you and our people of Rochdale. May you live long and you be happy to enjoy the honour you are about to receive.

C/V GRACIE TALKS.

Mr. Mayor Mr. ~~SHARPLEY~~ Councillor Bryning and all my friends here I feel you all must realize and ~~know~~ how difficult it is for me to put into mere words exactly how I am feeling this day. This is a real red-letter-day and the most wonderful and proudest day in my life. As you all know I was born and bred in this lovely ~~town~~ Lanc. town of Rochdale of which we are all so verry, very proud, they talk about being proud Preston, we are prouder of Rochdale that what we are of Preston (Laughter) And I am never so happy as when I am telling folks how proud I am of our Rochdale ~~and of its greatly folks.~~ I have my Mother & Father with me today (applause)
