MCCOURT TALKS

"Since leaving the C.I.D. I have had 14 years' experience in store crime, and I have yet to come across one case of the so-called kleptomania. Any pandering to the theory as to repression and complexes is only making a cloak for the gangster groups."

37..C/U DETECTIVE MCCOURT TALKS 26

MAC.

"Pickpockets will find that it is no longer a paying business it is a crime which has greatly decreased. Sterner measures will wipe out shoplifters in the same way."
