Well, we are all here and happy to be here, and I have been asked to introduce the boys to you, and I will do so.....McCabe, Chipperfield, Fleetwood Smith, O'Reilly, McCormick,....second row from the left... Walker, Hassett Bradman, Badcock, Barnett....Ward ~~Bill~~ and the young fellow having a bit of trouble with the pipe is Bill Brown..(laughter).. and I can assure they are pretty good cricketers even if you may think some of them don't look like it. They are going to give you some really good cricket in England this year. I hope you will all enjoy it very much indeed, and I hope you will be able to send us on the homeward journey as good friends as I am sure we all are at the commencement of the tour.
