"Mrs. Wyly will show you how she discovered this well. Now this place is suffering as you might imagine very severely from the drought for two or three reasons. It's a very barren, sandy and thirsty soil. It's a big of a Sahara planted in the middle of Surrey"

- 5. S/V LL.G. SPEAKS 17 ✓

"She walked about here for some time with the rod in her hand. There was no movement. She came along here, then suddenly found the rod going round."

- 6. C/U LL.G. SPEAKS 23

"You see for yourselves how powerful a current it is. The result is now that I can get that artificial rainfall which you've seen down there over all these acres."
