The story which was unfortunately covered at very short notice took place today under extremely hurried conditions. Unfortunately I could not give the story more preparation.

Various scenes of the King and Queen arriving and meeting Captain Mee the manager of the Camp.

Scenes of the King and Queen in the school rooms and the pigery and inspecting the boys

Various scenes of the King and Queen leaving and the boys cheering.

.....

NOTES FOR PARAMOUNT NEWS ONLY

I covered this story a few months ago so that you actually have some excellent material in the library to build this story into something better than the opposition.
