

Dope Sheet.

16-802F50

R.Read.  
Top Roof of Labs.  
21.Sept.1940.

12" Lense. 130 Ft. Plus X.

Various long lense scenes of "Roof Spotters" on the Factories  
around the Labs.

Some of the scenes are shot a little off centre to avoid the  
names on the Factories.

Semi close up of our "Roof Spotter" on duty.

Fair light.Misty for long lense stuff.

6802F80
