Hugo Johnson, Robert Denton  
F.D.R. ADDRESSES CONGRESS  
Washington, D. C.

1. Roosevelt talking:

"In times like these it is ~~feature~~ <sup>not</sup> and, incidentally, untrue for anybody to brag that an unprepared America single-handed, and with ~~the~~ <sup>one</sup> hand tied behind its back, can hold off the whole world."

2. ~~CROWD.~~ *Leader for sub title*

3. Roosevelt talking:

"Such a peace would bring no security for us or for our neighbors. Those who would give up essential liberty to purchase a little temporary safety deserve neither liberty nor safety. (Applause) As a nation we may take pride in the fact that we are soft hearted but we cannot afford to be soft headed?..(light applause)

4. ~~CROWD.~~ *Leader for sub title*

5. Roosevelt talking:

"I am not satisfied with the progress thus far made. The men in charge of the program represent the best training, ability, and patriotism. They are not satisfied with the progress thus far made. None of us will be satisfied until the job is done."(Applause)

6. ~~CROWD.~~ *Leader for sub title*

7. Roosevelt talking:

✓ *am* "I also ask this Congress for authority and for funds sufficient to manufacture additional munitions and war supplies of many kinds to be turned over to those nations which are now in actual war with aggressor nations. They do not need manpower. They do need billions of dollars worth of the weapons of defense."

8. Roosevelt talking:

✓ "I do not recommend that we make a loan of dollars with which to pay for these weapons a loan to be repaid in dollars."

9. Roosevelt talking:

✓ "For what we send abroad we shall be repaid within a reasonable time following the close of hostilities in similar materials or at our option in other goods of many kinds which they can produce and which we need."

10. ~~CROWD.~~ *Leader for sub title*

11. Roosevelt talking:

✓ *LV* "In fulfillment of this purpose we will not be intimidated by the threats of dictators that they will regard as a breach of international law as an act of war our aid to the democracies which dare to resist their aggression. <sup>or aid</sup> Such aid is not an act of war even if the dictator should unilaterally proclaim it so to be..(applause) When the dictators, if the dictators are ready to make war upon us they will not wait for an act of war on our part. They did not wait for Norway or Belgium or the Netherlands to commit an act of war....(pause and applause)"

F.D.R. ADDRESSES CONGRESS

~~12. CROWD~~

*Leader for sub title*

13. Roosevelt talking:

"I have called for personal sacrifice. I am assured of the willingness of almost all Americans to respond to that call. A part of the sacrifice means the payment of more money in taxes. In my budget message I recommend that a greater portion of this great defense program be paid for from taxation than we are paying today. No person should try or be allowed to get rich out of this program."

~~14. CROWD~~

*Leader for sub title*

15. Roosevelt talking:

"The first is freedom of speech and expression everywhere in the world. The second is freedom of every person to worship God in his own way, everywhere in the world. The third is freedom from want which translated into world terms means a world wide reduction of armaments to such a point and in such a thorough fashion that no nation will be in a position to commit an act of physical aggression against any neighbor anywhere in the world. (applause.)"

~~16. CROWD~~

*Leader for sub title*

17. Roosevelt talking:

"The world order which we seek is the cooperation of free countries working together in a friendly civilized society. [This nation had placed its destiny in the hands and heads and hearts of its millions of free men and women and its faith in freedom under the guidance of God. Freedom means the supremacy of human rights everywhere. Our support goes to those who struggle to gain those rights and keep them. Our strength is in our unity of purpose.]"
