REMARKS:

Mr & Mrs Priestly run this place
in connection with the above plan
There is also another place at TITLEY
nearby where a boy Tommy Maloney is
quartered. This boy has been "adopted"
by Mrs Eleanor Roosevelt. Eric G. Haggard
you will be met by a Mr Haggard who
has a lorry load of American gifts to
unload there, this scene could quite
well open the story. Perhaps arrangements
can also be made to have the boy Maloney

brought over from Tutley to Broxwood.
Court, and he could be joined in with
the story at Broxwood, but in any
case a few scenes of Tommy Maloney
are required, also a C.U. of the cable
which has just been received from
Mrs. Roosevelt. — Mr. Haggudge will have
the cable with him.

Please remember that no "set-up"
speeches are required, all sound
must be incidental to the story

New York also require shots of

Gloria Wilkins	} <u>Foster children of</u>	
Janeta Wilkins		Jack Burns

I understand that these children are
at same home of Tommy Maloney.
