Repeating last summer's experiment the LCC is bringing music to the people, with the co-operation of the services and private bands. This Royal Marines concert on the steps of St. Pauls was one of scores to be held in open places and parks.

(GV PAN DOWN) City workers had first class seats for the lunch-time music.

AFS, soldiers, civilians - everybody enjoys the latest movement to make life a little brighter.

Sent direct to Egypt, in U.S. ships since President Roosevelt declared the Red Sea no longer a war zone, American cargoes are solving the supplies problem in the Middle East. From the great motor factories of the States come crates of transport to accelerate army movements in Africa, up to the speed of warfare, 1941. As soon as the crates are opened, dockside assembling operations are pushed on.

(LV HANDING STEERING WHEEL) Middle East cargoes are receiving special attention, says Harry Hopkins, the Lend-and-lease supervisor. U.S. production is revving up and will soon be in top gear. These pictures show where the best rubber now goes; so be patient if you don't get so much mileage out of your new set of tyres on the baby's pram.

Thousands of spare petrol-cans ! Every vehicle in this desert country travels with at least a couple. It's all evidence that if supplies can bring victory we're in a winning position.
