

RAF AND YANKS PUT GLOVES ON

The RAF versus the American Airforce. The men took time out from bombing Germany for a friendly set-to at a U.S. air station. Jimmy Sanderson, RAF, and Bill Wright, Ohio.

- *Wyzykiewicz*
Ron Bissell and Ray Wyzykiewicz, of New York. With a name like that he won easily.

(af 2nd) ^{and} Jimmy Smith/Nick Guagliardo.

(exited soldier) Now see Herbert Williams hand out a beautiful K.O. left hook, all for Aircraftsman Todd.

Herbert, you'se certainly some scrapper.

Remembering poor Todd we'll say a good time was had by nearly all. What wouldn't Germany give if the two airforces would bomb eachother.
