JAP BOMBERS SHATTER KUNMING

There was a panic exodus from Kunming. That typical small town in Southwest China had been bombed. Twenty aircraft with fighter escort let fly, hoping presumably to damage allied bases, mistakenly supposed by the Japs to be located here. After seven years of war China still suffers raids, the china still suffers raids, the china still suffers raids. Kunming's water supply was tragically inadequate.

THE MONTESCONDING MONTH OF LAST WEAR IN 480 PERSONS

(CU woman) The people saves what was left of the sects.

Marched off to be shot was any man caught looting. China's sufferings are only dimly imagined by the western world.
