

TRIBUTE TO HERO

At a training base in India were taken these pictures of the late General Wingate. He was receiving Admiral Mountbatten, who had come to inspect the preparations for the attack behind the Japanese lines in Northern Burma, the operation which made General Wingate world-famous.

At a training base in India were taken these pictures of the late General Wingate. He was receiving Admiral Mountbatten, who ~~had~~ ^{had} come to inspect the preparations for the attack behind the Japanese lines in Northern Burma, the operation that made General Wingate world-famous. It was said that the mantle of Lawrence of Arabia had fallen upon this young and brilliant general. He brought daring, imagination and a new approach to military problems. His recent death in an air-crash is a severe loss to the allied command, at a time when military genius can ill be spared.

General Wingate was born commander, ^Men followed him with unstinted devotion. Upon the foundations he laid, the edifice of victory may soon be erected in South East Asia.
