~~The ship, Hopeful~~ recently arrived at Port Tomick ~~in Adelaide~~, Australia, carrying a cargo of 95 ~~tons~~ of bagged wheat. In record time this cargo was discharged from the ship, and taken to ~~the~~ Wharf wharfs, which is the main stacking centre. This bagged wheat is being stored there ready for the day when it will be shipped to the Balkans. ~~The amount of wheat stored there is approximately 7,000 tons, and it is still being~~ at regular intervals.
