

YANKS MAUL JAP PLANES OFF SAIPAN

Hot on the news that the U.S. Navy has sunk a convoy of 52 ships off the Philippines come these pictures of an American task force routing a Jap counter attack off Saipan. Gunfire and carrier-based fighters shot down a score of planes before the scared survivors turned tail.

(3 out, j aft crash)

In Quebec Churchill and Roosevelt are now laying plans for the final overthrow of the enemy in the Far East.
