

Murder by betrayal to the Gestapo of 500 of his countrymen was the charge on which Pietro Caruso, fascist police chief of Rome, stood his trial.

3.  
4 CU people      Relatives of his victims sat in court while the due processes of the law were carried out. Caruso had defending counsel.

7 SV President] The President of the court examined witnesses. The public prosecutor stated the case. The prisoner was allowed to plead. Death by shooting in the back was the sentence. Equal justice will not be denied the Nazi leaders in their turn.

2.  
Seaforts, pictures of which are now released by censor, have been keeping the Thames estuary free of interference these last two fateful years. From the start the weapons they mount proved lethal to submarines, E boats, minelaying Luftwaffe, and of late to Flying Bombs.

11 sv. Men waving. Fifteen miles from land they ~~gave~~ hope it wont last another winter.  
~~they went down to the bottom of the sea through~~

Its a case of the higher the harder in Italy.

1.  
Sign] On the way to the Gothic line, the pocket republic of San Marino obstinately declared itself neutral though the Nazis had made ~~themselves~~ free ~~of~~ its roads. To get ahead Alexander's forces used <sup>together with</sup> the faith that moves mountains, a little gun powder.

San Marino.  
23 GV Marino ~~Marino~~ is now sorry it ever let the Nazis in.

NEWS FLASHES

\* Its a case of the higher the harder in Italy.

~~sign~~ \* On the way to the Gothic Line, the pocket republic of San Marino obstinately declared itself neutral/though the Nazis had made free with its roads. To get ahead/Alexander forces used/ to help, the faith that moves mountains, a little gunpowder.
