OPS. 235.

Date: 11.10.44.

Footage: 400 ft.

Attack by Lancasters of Bomber Command 11.10.44 on heavy gun positions on the Dutch island of Walcheren. This attack is part of the close air support which is being given by Bomber Command to the Canadian Army fighting in this sector. The heavy guns which were the object of the attack were proving a menace to the advance of the Canadian Army and so Bomber Command went out and silenced them.
