

JAPS BLITZED, HIT BACK AT SAIPAN

With regularity distressing to the enemy super Forts are bombing Tokio from Saipan. On that Pacific Air base crews learn the exact whereabouts of the target for today. Missions to Tokio are among the toughest assignments of the U.S. Air Force, but to strike ^{at} Japan is the ambition of every American flyer.

The airfield chaplain gave his blessing, as the giant planes took off on their ^{15-hundred-}~~15,000~~ mile-flight, ~~to Japan~~.

(air) The super forts were ~~specifically~~ designed to carry the war to ^{Tokio} ~~the Japanese capital~~. They ~~have~~ ^{are} made a mockery of the ~~complete~~ protection the enemy believed was ^{his in} ~~assured by his~~ the tremendous distances of the Pacific ^{ocean} ~~as the bombs fall intense anti aircraft fire~~ replied.

Tokio is not the only target, Rangoon, capital of Burma, is bombed by ~~super~~ forts based on India.

Meanwhile the Japanese ^{Saipan} ~~base~~ ^{is} ~~located~~ ⁱⁿ ~~the~~ ~~island~~ ~~of~~ ~~Saipan~~, ~~where~~ ~~the~~ ~~U.S.~~ ~~air~~ ~~base~~ ~~is~~ ~~located~~.
