BURMA SUCCESSES OPEN UP NEW ROAD TO CHINA

Mostly by infantry assault through the neverending jungle Lord Louis Mountbatten's forces have opened up a new ~~road~~ convey route from India into China. Kennedy Peak is the objective here.

(11 CV Soldier signals) This promise of a quicker ending has been bought only by the closest hand to hand conflict in the history of war.

(25 LV Searching foxholes.) The Japs resist as always to the last ~~fox~~ foxhole. ~~There is no supply road with us as far as the front is concerned.~~  
~~There is~~

(29 GV Liberators) With RAF Liberators constantly bombing supply lines in close support the army is finding its task lighter. A Mandalay railway yard <sup>3 targets 4 of them</sup> is hit. ~~The second wave~~ attacks <sup>raiders</sup> the principle Jap supply-base on the Arakan front. Other

(48) Bombs and incendiaries leave plane.)

The long efforts of the forgotten fourteenth are now showing results. Japan will soon be fighting from her own territory.
