

KITCHEN PLANNING EXHIBITION
LORD WOOLTON INTERVIEW.

(SV) No. 11

~~(girl) What do you think of the Exhibition?~~

(Lord Woolton) And the thing that impresses me most about the Exhibition is that here ^{Post} War reconstruction in its most practical form, because ~~the~~ reconstruction doesn't begin in the home, where will it if ~~it~~ begin? ~~And~~ surely the proper place for it to begin in the home is ^{the} kitchen, in the home.

(girl) Yes I think so too. ~~I think in building the ~~XXXXXX~~ houses round the kitchen rather than kitchen in the home don't you?~~

SCU No. 12

(Lord Woolton) I think the.....sounds very sensible indeed. And what I like so much about these places is the colour that you have brought in.

(girl) Yes it is bright isn't it?

(Woolton) Bright and it shows the dirt.

(SCU) No. 12

(Woolton) ~~And~~ the thing I like so much is all these bright colours that you ~~are~~ got about the place, because ~~that~~ shows up all the dirt and dirt ought to be shown up.

(girl) Yes they're very attractive aren't they?

(Woolton) Most attractive.

(girl) Gives the place a lot of charm.

~~(Woolton) Don't you like them~~

~~(girl) level~~

~~(Woolton) I think you've got a good one~~

~~(girl) Yes I think so~~
