

SPORTS. - WOMEN'S SWIM MEET.

AT Los Angeles, California, the fair sex is in again - Ah, but this time in the water. It's the Senior National A.A.U. championship and the 100 meter breast stroke race is in progress. At the turn it looks like a fairly close contest, but as they go bob-bobbing along, the lassie in the far lane looks like the winner. It's Jessie Wilson and brother, she does look like a winner. It's a terrific race. Put your money on the gal on the outside lane. The winner Anita Lhoest. After an absence of 3 years, Helen Crlenkovich returns to competition with a beautiful two and a half somersault off the high tower. From the low board Helen shows her championship form in a one and a half with a full twist - Sammy Lee and Johnny Riley demonstrate perfect timing in a ~~xxxxxx~~ tandem dive. Sammy Lee displays his new atomic dive - if he doesn't land right he'll wind up with a-tomic ache. Goodnight all. ROTA TO HEARST. UNIVERSAL. PARAMOUNT. PATHE.

SPORTS. - G.I.'S SEE WATER SHOW.

yes

The opening of the new swimming pool at Lovell General Hospital in Massachusetts is a gala event. The pool will provide healthful recreation for our wounded boys, but right now the G.I.'s are getting an eyeful - and they go for it in a big way. It's a special Aquacade show. Hey fellers, what goes. Is that a lady in distress? Or is she just looking for her pin-up boy? All you need for this is a little water and a hard head.
