TIGNS FINISHED. THEY MUST GO BACK TO THE BEGINNING - TO THE

The De Havilland Vampire - far and away the fastest

aircraft in the world - flown for the Press view by Geoffrey De Havilland. Made by the creators of the Mosquito Vampire is jet propplied and can leave the Mosquito standing. Its Goblin FAMATXMENT engine is the most powerful thing of its kind in aviation.

> Fighting ceiling is fifty thousand feet, well above nine mikes high, and up there in no time.

Vampire was built for war. The same power unit, the same designers are now available for peace. Aviation steps out as never before.

ADD COMMONS.

THE SECRETARY OF STATE FOR SCOTLAND HOPED TO SUPERCEDE THAT ACT BY SOMETHING THAT WOULD BE MORE FRUITFUL THAN THAT ACT. DAD BEEN IN SCOTLAND.

HE STRESSED THAT THE SOVERNMENT WOULD EAL WITH THE QUESTION OF RURAL HOUSING AS PART OF THE GENERAL HOUSING CAMPAIGN.

REFERENCE TO BURAL HOUSING HE SAID THAT THE HOUSING RUMAL NOBRERS ACT AGOOT WHICH IR. EUTLERWS APPEALED SO TEELINGLYSS HAD BEEN AN ACT OF EITTLE USE TO ENGLAND AND MALES. BUT SCOT-LABP HAD USED IT FAR MORE FOLLY.

ADD CONMONS. ASKED WHETHER IT WAS INTENDED TO CO AWAY WITH. THE COST PEAS SYSTEM MR. CREENWOOD SAGE . THE COST PLUS SYSTEM IS EXTERANCENT AND WASTEEDL AND WE ARE WORKING ON THAT PROBLEM NOW: WWE HAVE HAD SOME DISCUSSION ON IT IN THE LAST PLU OATSWA.
