IN STANDING COMMITTEE VILLE TIM PROSPERITY OURS IF WE WORK. Sir Stafford Cripps. R ODESTIONS OV A CEPTAIN, SU BER. OF DAYS

GER HOURS BUT OWINE ADDITIONAL DAY OURTRO THE WEEK. THE

As the light aircraft carrier Hercules slid down to the water the Tyneside saw the end of a notable chapter 18 A. 20 in its history. Production henceforth will be devoted mainly to ships that go down to sea to serve a world at peace. Hercules was launched by Lady Cripps. sir Stafford had something to say about the future.
