- 11. CU SIR STAFFORD CRIPPS SPEAKS: *What*
You and I are wondering what the future will bring and one thing we are both determined upon is that it shall not bring back again to the North East coast the suffering and despondency that we experienced in the years between the two wars. 42
- 12. SV SIR STAFFORD SPEAKS:
That terrible period of trade depression which hit the North East coast of England like a blizzard and brought with it all the tragedy and suffering that depressed and disgraced our country in the following years*. 37
- 13. CU SIR STAFFORD SPEAKS: *What*
The harder you apply yourselves to the job in hand the greater will be the certainty of that growing prosperity in our country. *GV near of crowd.* 20
- 14. CU SIR STAFFORD SPEAKS: *What*
And may we each one by our own efforts help to make certain that the stress and suffering never again comes to Tyneside. 17
