

DUKE AND QUEEN MARY REUNITED

The Duke of Windsor is back in England. To Hendon airport by RAF Transport Command H.R.H. flew from

France. He was met by his old friend Sir Louis Greig, representing the Air Ministry;

also in a little group of RAF officers & the Duke's 4 men pilot, the master of St King's flight.

The Duke on this visit came without the Duchess, though he

may bring her to England next time he comes. From Hendon

he at once motored to Marlborough House. Rumours of his

arrival had got round and quite a little crowd waited in

hope of catching a glimpse of the former King. With Queen

Mary, after nine long years, the Duke was now reunited.

He had not seen Her Majesty since ~~the~~^{her} abdication.
