

LADY DRIVERS OUTCLASSED%

One swallow doesn't make summer; but when you see <sup>all</sup> the suicide drivers back in action after six years you know it means peace-time has come again. This pre-war ~~annual~~ meeting at Trenton, New Jersey was always a popular event. The revival showed ~~that in this field~~ the public taste hasn't changed. There's a man on ~~the~~ bonnet as the car crashes through a ~~fleming~~ fence.
