

INTERVIEW WITH METEOR JET PILOTS.

1. LV GREENWOOD AND WILSON STANDING IN FRONT OF JET PLANE
GREENWOOD TALKING TO WILSON.

[Well Willie now that you have got the corrected figures I would like to be the first to congratulate you.]

Thank you very much indeed Eric.

I think you will agree that the difference is only a matter of a sharp walking pace and I think either of us might have got it.

2. SCU

Well Willies now that you have got the corrected speed I would like to be the first to congratulate you on a marvelous show.

[Well thank you very much indeed Eric. But I think you will agree that the difference in time was only a matter of a sharp walking pace and either of us might have got it.]

How did she handle Willie?

She handled very nicely and I expect your's did.

Yes.

3. (C) WILSON SPEAKING

[Well Eric I would like to say thanks very much for your congratulations, and here's to the time when we'll meet again at some further flight.]
