CHANGED AT AND PER OUNCE.FINE. THE SILVER MARKET IS STEADY THE SPOT PRICE BEING UN-

FURS WORTH THREE MICLIONS UP FOR SALE SILVER MARKET.

Lovely furs for lovely women are back on the market. Buyers from all over the world examined the stock before the sale began." M. Grand, the leading expert from Paris, DB H and the equally famous Mr. Hassell from New York praised the blue foxes. Close on 800,000 selected skins were in the warehouse of the historic Hudson Bay Company,

ready for the first auction since the war - the sale by which London resumed its place as centre of the world Mun X Some fine seal skins. fur trade ....

Sea Otter. The only two skins in the sale of this rare fur.

Lynx. The London Fur Market had an annual turnover of twelve million pounds before the war. With present much higher prices that figure will be considerably increased. Red and white fox of high quality were there in profusion. some of the furs are for the home, market, but the bulk & B solar alrows PASHA CEGYPT) (10 VOTES)
