C.U. Shots of A.J. Whitehead to Sir Richards Peck. BBC.
Close ups of W.E. Butlin and Sir Patrick Hennesy Mang. Dir. Ford Motor Co.
Various semi gen views of the Top Table, see attached list.
Close ups of "Monty" Sir Charles Bartlett. Mang. Dir. Vauxhall Motors.
" " Lt. Gen. Sir Ronald Morce Weeks. Deputy Chairman of Vickers Ltd.
Various back shots of speakers, unfortunately against the light.
Gen coverage on the different tables mostly Engineers.

Owing to the very awkward set up of the Room, lighting was almost impossible to enable me to get cut ins without having a light glaring right into the lense. They would not allow any overhead lighting whatsoever, which normally helps the coverage of cut ins.
