COMPLETE DESCRIPTION OF SCENES.

General impression
 cricket - played under the worst of circumstances wind & rain all day. See Tent boards were used to cover over the mud. - the Worcester cricket ground less than a month ago being 8 feet under water.

I have tried to show the dismal conditions under which it was played people sitting in cars hot water bottles etc etc Worcester batted first - so could not get much of the S.A. batting. Played was abandoned at 6.30 last night - pouring with rain. Score card attached with names etc
