	On this site there was 25,000 tons of rubber made of AK Aero-p tyres, motor tyres, Wellington Boots, Plimsoles, and rubber gog The public have been trying to buy some of this stuff, but they been turned down. The ironical point is this, that the Fire-c on the job said that the fire started through the sun's rays go through the lens, and an eyewitness also told me that one minut everything was normal, then an immmense MMMMM amout of smoke was first sympton. By the time I got there, it was well under way 50 pumps turned up, each manned by 6 bods. Lack of water was t trouble for the first period. Ponds were tapped bytweeds caus a lot of trouble, eventually the River Wandle was tapped, nearly mile away from the scene of the fire. Fire Chief Netherwood	ples. have hief ing ex s the he
