HOPE FOR HOUSING TO MOTTON THE WART YARDS ATTEND

IT MADE HIM WONDER UPON WHAT STANDARD THESE TREATIES WERE ACTUALLY

There's good news for all who want somewhere to live. To a block of London County Council Flats the contractor, Fruest Marples, came from the House of Wallasey's M.P., Mr. vecmises 2 remove Commons with news that Parliament had weneved legislative obstacles to paying bonous on output. The manager and builders on the job wedcomed the turn of events. For the men it means more money, for the country, more houses. THE GOVERNMENT RECOGNISED THEIR TREATIES AND S There are difficulties to be atracent out, for while a bricklayer's output can be gauged to a single brick. carpenters, mum plumbers, plasterers and other tradesmen work underconditions where output is less easily assessed. (STV laying) But difficulties vanish goodwill, Contractor and men proceeded to straighten some of them REACTIONS TO THE TAX AND ADDED "SINCERELY out there and then. TO AMAZING TO SHIP ON TELLING
