a

at Osland British speed-ace Colonel Gardner gave the motor world something to talk about, when he set the world record for the flying kilometre at Caturd in an M.G. with a tiny five home, engine. He was officially timed at a hundred and eighteen miles an hour, and for five was and the same and all vary in a fraction ever five heres power.

AT AS JUST POSSIBLE THAT DRITAIN MAY DE ABLE TO SEND SE

The record established Gardner was warmly congratulated. A triumph for driver and designer in the field of . potted power. T diaz Manugemaxul dua dualine dua yaraupo
