

COW RACE.

Scene 1) Your guess is as good as ours about this !
Our French cameraman at the Bayonne Fete describes it as
a "cow race through the streets ".

→ (Boy on lamp post)

Apparently you can lay in the road and make it an obstacle
race ..or join in and make one of the runners,..as long
as you remember that the cow makes the rules..especially
if she's just behind you.

(Scene 8)

Quite frankly we are'nt sure whether this is a cow or a
bull! We would'nt argue... the front end of it looks far
too businesslike even though the horns are padded.

Scene 11)

You see ! This is what comes of being too curious. (pause)
If you'd like to see this sport down Oxford St, Lime Street,
Corporation St, Deansgate or Sauchiehall St.. suggest it
to your borough Council..if they can get a cow.
