EXCLUSIVE

2nd Sept. 47.

INTERVIEWS T.U.C. DELEGATES AT SOUTHPORT.

Lord Cook

14. Will Craig (?) I represent the Ministry of Labour Staff Assoc. the members of the Employment Exchange staffs who will have the task of carrying out the new arrangements for the control of labour which the Ministry of Labour is about to announce.

15. George Elgin, General Secretary of the Association of Cine-Technicians. I look forward with confidence ~~in~~ to passing our resolution in order to help the British Film Industry.

16. I am George J. Rogerson, Secretary of the International Assoc. of Fire-fighters, representing the American Federation of Labour at the T.U.C. For 50 years the American Federation of Labour have exchanged delegates with the T.U.C. I believe this has done much to cement the friendly relations that exist between our two countries.

17. My name is Gordon Sanderson, representing ----- Equity, and our resolution is calling for a working policy for the British theatre.

18. I am Joe Edwards of the Chemical Workers' Union. At this Congress we are trying to develop a debate on the importance of Atomic Energy, and are opposed to the secrecy that is now imposed on scientists.

19. This is John Bedsted (?) General Secretary National Union of Railwaymen. My Union has cabled a resolution for this Congress in regard to Colonial development, which consider of prime importance to the economic recovery of this country and of the world.

(HORNER) // ARTHUR HORNER, NATIONAL UNION OF MINE WORKERS. I RISE TO SECOND THE RESOLUTION PRESENTED BY THE GENERAL COUNCIL ON THE COAL-MINING SITUATION. //

ARTHUR HORNER, NATIONAL UNION OF MINE WORKERS. I RISE TO SECOND THE STATEMENT PRESENTED BY THE GENERAL COUNCIL ON THE BRITISH COAL-MINING SITUATION.

OVER

Stevens, Electrical Trades Union. We are supporting the maintenance of subsidies for the purpose of keeping the prices of consumer goods down.

Will Lawther

24. ----- President National Union of Mine Workers.

On this issue in relation to the organization within the coal mining industry we are emphatic that there is only one organization to deal with this matter.

25. ----- W. ----- National Amalgamated Stevedores and Dockers' Union. I am seconding the motion to support and safeguard the independence and negotiating rights of small unions affiliated to Congress.

1. My name is Councillor ----- Eastwood. I am General Sec. of the Rubber Workers' Union. I am here in conference in order to move a resolution urging the Government to increase the number of factory inspectors with a view to minimizing industrial accidents and disease.

----- I am Williamson, General Municipal Workers' General Sec. This conference is here to consider the economic situation of the country, and I have no doubt that the discussions will show a high sense of responsibility in dealing with this important matter in the interests of the Union.

----- Jack Stanley (?) Representing Constructional ----- Engineering Union. One of ~~the~~ our resolutions is on the freedom of Trade Unions in Congress.

4. Ike Edwards, the official Labour candidate of the Vehicle Workers' Union (?), and I will present to this conference a resolution demanding the right of equal pay for all workers of adult age.

This is Adams, National Assec. of Engineering and Shipbuilding Draughtsmen. We are putting forward at this Congress the participation and management of all ----- works, district and national.

Stanton
34

My name is Stanton, I represent the Civil Service Designers and Draughtsmen. We are putting two resolutions to this conference.

(1) Dealing with the nationalisation of the ^{armament} industry in which we are specially interested - because that is our job - designing weapons of war; and another ----- Trade Union resolution which

~~has been passed in the United States.~~

8. My name is Captain Mark ----- National Industrial Officer with the General and Municipal Workers' Union. We have a resolution on the Agenda in the name of my organization

8. Repeat Capt. Mark -- National Industrial Workers, Gen. Municipal Workers' Union. The resolution we have before Congress is one which we hope will bring to the country the great urgent need for some improvement in legislation in so far as industrial diseases are concerned.

9. I am George Elvin, Secretary Assec. of Cine-Technicians. And we hope during this week - (look at camera, etc.)
