

YARD SWOOPS ON STOLEN WAR GOODS.

In the tiny out-of-the-way village of Cuddesdon, Oxford-
the
shire/Flying Squad unearthed Ministry of Supply recondit-
ioned war material worth ten thousand pounds. Warrants
have been served on three Ministry officials, eight
other warrants applied for. A ~~check~~^{check} was made on the
material by Scotland Yard men. In hideouts remaining to
be discovered is similar material worth nearly seventy-
thousand pounds. Goods range from washing machines, which
we all want, to sausage machines, which perhaps we don't,
and *It*'s obvious that big-scale, systematic ~~thieving~~^{thieving}
from the community has been going on for a long time.
Scotland Yard is to be congratulated on making this
discovery.
