

STUDENTS SHOW HOW TO FIGHT ELECTION

Glasgow University elected Walter Elliot as rector.

With
Fruity indeed was the campaign. / Fruit that was squeelchy
with age, youth pelted youth, as conservatives and
independents strove to prevent each other from getting near
the polling booth. This was something like politics;
all fervour and no speeches.

(SV on ground) At the height of this all-in alamein some
brilliant tactician sent a storming party and broke the
enemy lines. It was politics with the lid off - the
drain lid.... All 's smell that ends well, and with *no eggs*
~~no~~ fish or flour available they fell back on the principle
that if you throw enough mud some of it's bound to stick.

Walter Elliot was elected. He's already ~~man~~ M.P. for the
Scottish Universities. That's why he knew enough to
keep in the background till the campaign was over.
