SCENE NUMBER	COMPLETE DESCRIPTION OF SCENES	FOOTAGE IND.	CAMERA SPEED	LIGHT COND.	LENS USED
1.	1. A lorry with students & ammunition arrives at the site of the battle				
2.	2. Unloading the ammo & close of it -Rotten apples				
	3. Some of the opposition arrives to give battle				
3.	4. The fight starts -several shots & lenses				
	5. Ammunition runs short so they look around for something else, and dive down into the sewer for muck.				
4.	6. A cory with attackers tears up, with the students pelting one another				
	7. A small van has to beat a hasty retreat.				
5.	8. Close of some of the evil smelling ammo.				
	9. Futher fighting round the door by which the voters should enter.				
6.	10. An attempt to get a fire hose working, but the authorities cut off the water -the only one to get wet was the cameraman.				
	7. Note. This show was not like the old days -the problem is to find ammunition and the lack of it cramps their style. What the whole thing is all about heaven alone knows, but it originated with the attempt of parties of students endeavouring to stop others voting against their party.				
8.
