

## CHURCHILL LIONISED IN JAMAICA

Spanish town vied with Kingston, the Capital of Jamaica, in the welcome it accorded the Prime Minister. Winston visited the State Capital, where the Spaniards once ruled. Mrs. Churchill and Captain and Mrs. Soames (formerly Mary Churchill) were in the party. Columbus discovered Jamaica but Cromwell conquered the Island, a fact which Spain acknowledged in a treaty in the reign of Charles II.

*On his short Jamaican holiday,*  
~~In the short stay in Jamaica,~~ the Prime Minister had little time to relax but seems to have enjoyed himself all the same.
