

GLASGOW STUDENTS' CHARITY RAG

MAY

FORK

Sec 1 - 7

Whatever happens in Aberdeen, on flag day, in Glasgow they certainly don't lock their doors and draw their curtains, they line the streets and pay up to the tune of eight-thousand-four-hundred-and-three-pounds with more collecting boxes yet to come in.

" 8 - 31

The occasion was the Annual Charities Day organised by Glasgow students, and many business firms and private individuals lent 173 vehicles to take part in the processions and collections.

" 17 - 57

The Charity Queen, Sheila Cowan, lent her beauty and grace to the event, and the presence of the Lord Provost ~~at the~~ made the street collection a civic and official affair.
