COMPLETE DESCRIPTION OF SCENES

1. Students stopping cars for collection
2. A clever fancy dress -student in 'high chair' collecting from crowd
3. Crowd cut-in
4. The start of the parade
5. Trucking shot with carriage (was misinformed about this -it did not contain the Charity Queen, only her 'ladies-in-waiting')
6. Ground shot of the start of the parade

from here on I had no chance of keeping list of scenes but they are self explanatory showing collectors at work, close up in carriage of the Charity Queen -Miss Sheila Cowan - with her waving to crowd, the Lord Provost of Glasgow, (Lord Provost Tom Kerr) with the 'Queen' watching the parade go by and throwing pennies for the collection, fancy dress get-ups and various shots of Paramount's entry depicting 'Botany Bay' with close of 'Alan Ladd' being whipped.

After this there are a couple of framed up shots on the Paramount float.
