COMPLETE DESCRIPTION OF SCENES

Rolls are punched marked one two & three, and shot in that order.

No one starts off with the preparation of the various floats etc in the University quadrangle..leaving the University by the big gates and then various shots on route etc etc.

Elevation shots are from the big Gaumont Theatre, and roll 3 finishes on the very well known spot Piccadilly.

A short section taken in very bad light shows the money or collection boxes arriving at the bank "Martins".

Wanted to show lots of money, but the boxes are not opened until tomorrow.

The students hope to collect £10,000 which goes in the main to local charities, but a percentage this year goes to the Flood fund.

C.U. of girl on car is the rag Queen, a shot of a new car of float, is to be won for a shilling.

The big Odeon theatres which takes a first run of our reel are rather keen to get this story up to Manchester as soon as possible

Local paper and Rag book attached..
