

QUEEN MOTHER PRESENTS COLOUR AT PLYMOUTH

11
1,000 men paraded at Royal Naval Barracks, Devonport,
in honour of the Queen Mother, there to present to
Plymouth Command a Queen's Colour ~~of Elizabeth II.~~

bearing the cypher of H.M. 2nd City 2nd

The bigger the occasion the more imperturbably the
Royal Navy bears itself, and 8-year-old Michael Neale,
of the Naval Boys Brigade, was so completely master of
himself he might have been Marshal Tito.

Michael ~~has~~ set the standard ~~to be followed~~⁴ when he gives
place to a younger man.
