20. Cu v of Neuter talking: 124

~~Shortly before I left Germany to come to this country I had a very kind message of Pres. Eisenhower explaining to me that he would do everything in his power to help us in Berlin for the tremendous task laying before us and~~

✓ may I express my personal deep gratitude and the thankfulness of Berliners for everything this country has done during the past years that we had the struggle to fight for our freedom. I
