Montgomery goes to Quantico base to see what is called "Joint Civilian Orientation Course" - it's a demonstration of war tactics - The Helicopters playing a major part - bringing on troops - supplies - guns + jeeps and taking wounded ones out - The air power bombs first - the Marines infantry follows - flame throwers - ~~gas~~ jelly gas - etc - but at the end the Marines feel the Helicopters play the big part -

At another base a beach landing with planes - tanks + landing craft ~~take~~ make a landing - again the Helicopters play the big part with the Marine infantry -
