THE BIRTHDAY OF H.M. QUEEN JULIANA.

March-past at Soestdijk Palace.

Date of event: April 30th '53.

Also on her 44th birthday H.M. the Queen has received numerous congratulations.

As usual hundreds of people marched past the flight of steps of Soestdijk Palace, on which in addition to our Queen, there were also Prince Bernhard and the four Princesses.

The greater part of the people had brought some flowers with them, which were put down on the steps.

Many of them had been travelling for hours in order to pay homage to the Queen, for they had come to the Palace from the farthest parts of the country.

Young and old shuffled through the garden of the Palace, waving to the Royal Family, which answered their greetings friendly as ever.

There even was somebody in his own car!

The march-past lasted nearly one hour, and meant for our Queen a happy beginning of a day which in every family is always being celebrated with so much joy.
