

UNDER WATER KITCHEN IS COOL IN SUMMER

Tired of slaving all day over a hot stove a Florida woman fixed up a kitchen in the water. And when her husband dropped in after a hot day on the surface the coffee was getting ready; dinner was practically on the table.

25

He had a wash, because you ~~don't~~ ^{live} so dirty living on land all day. And so hot and dusty, what a relief to come in out of the dry.... Where 's that clean towel? In no time he was ^{all} beautiful, in case any of the neighbours dived in.

4

Who's this? A mermaid! Come right in, ~~and are there any more at home like you?...~~ Yes, madam, it is a mermaid, ~~brought a bag too.~~ Hm! If ^{he} ~~she~~ thinks she's going to stay, *just watch* ~~and if he thinks she's going to stay - watch me!~~

60

But the mermaid should worry. There're more men in the sea than ever came out of it; besides, the fleet's in! Welcome, sailor! Just the man to square the eternal triangle. ... What a kiss! ^{fair} Takes your breath away!

KITCHEN SINKS, "Somebody Call, A Plumber!"

News Item: The apartment shortage is driving some people into the drink. And here at Tampa, Florida is proof that it can be done; watery bliss, in a pool's paradise. Most of the nation's been having so much rain lately, this looks like one good way to get even ... and the fun you can haveimagine a dozen relatives wanting to drop in, but not a swimmer in the bunch!

Now, how about that cup of coffee ... drip, no doubt!

Surprise! From right out of Davey Jones' locker!

This calls for drastic action ... back to terra firma for you, mister!

Hello?! A one-man submarine (what these cameramen won't do for a gag!)
